Don't Forget

Time to renew your membership with San Diego Fly Fishers for 2020.

President's Message

It's here! 2020 is just getting started. The new year always brings out our desire to improve, with resolutions, which may include a resolution to not make any resolutions. Sometimes, I like that approach, yet a list lurks, somewhere towards the back of my mind.

My personal list of "fishing resolutions" would probably look something like this (not necessarily in priority order).

- ◆ Organize my fishing gear (this is on my list every year, and a little gets done each year).
- ◆ Practice my fly casting more frequently.
- ◆ Plan two trips a year, where we can do some fly fishing, preferably a place we have not been to before.
- ◆ Fly fish with my Dad. And my nephews.
- ◆ Read more about various fly fishing topics (this one usually gets some limited attention).

The past year has been a good one for our club. We've accomplished many worthwhile things over the course of the year. I am happy we've started the Women's Program, which I will oversee and plan events for 2020. Project Healing Waters is being revamped, as is our casting program. Our fly tying and rod building classes will continue. Our conservation and education programs were strong and will continue to be so. Our membership numbers are steady and growing slowly. Our monthly speaker programs is our "best seller". Finally, I have to say many thanks and farewell to long time board member Paul Woolery for his years of service on the Board of Directors.

If you have not purchased your tickets yet, you have until January 7th to get them to attend the Annual Stroud Awards Banquet scheduled for Monday, January 13th. You will hear more about our accomplishments at this stellar event.

It has been an honor to serve this past year as your Board of Directors President for 2019. I look forward to one more year on the board, so you still have another year to send me your suggestions for your club. Please do so.

Wishing you good fishing,
Sherry Ashbaugh
2019 President

About our Club's Awards

The Stroud Award

In 2004, the Board of Directors created this award in recognition of two of Clubs most ardent supporters, Bill and Eileen Stroud. At the time, every fly fisher in San Diego County knew Eileen and Bill as the proprietors of Stroud Tackle. Bill served as President of this Club three times since 1980 and Eileen played a significant role in the admission of women to the Club.

During Bill's first tenure as President, the Club became affiliated with Trout Unlimited and Cal Trout. Bill and Eileen consistently donated thousands of dollars in equipment each year for our various raffles. Most importantly, we know of no single instance when Bill and Eileen have failed to respond, enthusiastically, to some Club request for help, whether large or small. It has oft been said "if were not for the Stroud's, there would be no San Diego Fly Fishers.

In recognition of the Strouds' many significant contributions, in 2004 the San Diego Fly Fishers' Annual Banquet was renamed the "Annual Stroud Banquet."

The Stroud Award is designed to recognize individuals outside our organization who have made a major lifetime contribution to the sport of fishing and/or conservation benefitting the sport of fishing. Nominees need not be members of our Club and, in fact, the intention of your Board is that the Award recognize the achievement of individuals encompassing a much broader scope. In recognition of the Award, the Club will make a donation of \$500.00 to the charity of the recipient's choice, provided that charity has a significant connection to the sport of fishing and/or environmental protection. Finally, the winner will receive an honorary lifetime membership in the San Diego Fly Fishers and a plaque in recognition of his or her achievement.

If you know of a deserving Organization or individual please take the time to nominate them.

Please join us on Jan 13th for the Annual Stroud Banquet.

For more information and or to complete a nomination form visit our website at [Stroud Award](#)

About our Club's Awards

The Gordon Foster Award

Each year, the Club presents this Award specifically to a Club member who has demonstrated unselfish and outstanding service to our organization. The recipient is chosen by the past winners of this Award. Gordon Foster was a stalwart of this Club, almost from its inception. A Life Member, he served as Club President in 1966-67 and again in 1975. The Club History reveals repeated references to Gordon beginning with the first published issues of the Finny Facts in 1980. This year, past recipients of the Gordon Foster Award will again be recognizing a worthy honoree. A review of the following list of past recipients reveals the honor and gratitude which accompanies the presentation of this Award.

Happenings

Bishop/Owens River Rendezvous Feb 21-23

Please join us for this fun annual event!

We will leave San Diego early Thursday , Feb. 20, and stay until Sunday, Feb. 23rd. You can caravan with the group or drive on your own time.

Why do we go this time of year?

- ◆ The main reason is flow on the Lower Owens is generally lower and allows us to wade the river.
- ◆ The Upper Owens holds Snowbows (very large rainbows holding over during the winter months).
- ◆ The gorge area flows are lower and fun to fish. We also get discounted rates on lodging.
- ◆ The entire area is beautiful with snow capped peaks and the fishing can be epic!

Where will we fish?

Typically small groups scatter and fish from Hot Creek to Lower Owens. All are welcome to join in and fish some new waters. Don't be shy to ask to join in a small group.

Remember it's winter in the Sierras. Bring adequate clothing for cold, snow and windy conditions.

Rod Building

We will plan another class in March of 2020. Stay tuned. Space will be limited to ensure quality time for each student. Dates will be announced in February Finny Facts.

You do not want to miss out on this incredible SFFF service. You will be learning from a true master. I have two Jack Duncan built rods and they are magical. One helped me fight and win a battle with a nearly 30 inch brown on the East Walker. And another testimonial :

....."the greatest 5 weight of all time...that will never be matched in 100 lifetimes....which has literally bagged hundreds of trout in its short 9 month lifespan.... has the words "Tim Huckaby" painted on the butt section....and was built on Winston boron III LS blanks by the world famous Jack Duncan".

In the interim, if you are beginning your own project and would like some advice or recommendations please free to contact [Jack Duncan](#)

Rod Building help is an important benefit of being a San Diego Fly Fisher. In the coming editions of Finny Facts and on the Website look for "Tips from Jack" to help those who want to build their own rod.

Conservation & Education

San Diego Fly Fishers is a service club with a long history of supporting a variety of conservation, habitat and educational programs. The Club's primary focus is to support projects that serve our local habitats, fisheries and schools. We also support other conservation organizations with projects in California. Our activities are supported by Club members through "boots on the ground" volunteer work and via the donations received at Club fundraising events. We work closely with a number of local, regional and national organizations to support research, improve habitats and foster a conservation ethic for future generations. We are very proud of our work and the ongoing support from our membership. If you wish to join us in this service work please contact the Committee Chair, [Gary Strawn](#)

Please continue to support SDFF and our conservation, education and outreach programs with your participation and donations at our fundraising events. You make all this possible.

If you know of good conservation project that needs some support, please share you ideas with the committee.

Project Healing Waters

Project Healing Waters (PHW) Fly Fishing is dedicated to the physical and emotional rehabilitation of disabled active military service personnel and disabled veterans through fly fishing and associated activities including education and outings. San Diego Fly Fishers (SDFF) is proud to be a local affiliate of PHW. Our San Diego based program, serves veterans locally by providing opportunities to learn fly casting, fly tying and fly fishing. We are a service organization and are pleased to offer opportunities to our veterans to help them find out more about the arts associated with fly fishing. If you are looking for a good way to contribute to our veterans and your Club, please let us know.

Help us find Veterans in Need!!

Our Club has an exceptional team of dedicated volunteers who commit time to helping disabled Vets learn about fly fishing, tying and casting. Over the course of the past year our program has struggled to gain reliable access to Vet's from the VA, etc. Currently the program leaders are working with local VFW's and American Legions to let people know about this service. If you know a disabled veteran who would benefit from spending some time with us please contact [Lee McElravy](#)

Please look at our Club's PHW Facebook page. <https://www.facebook.com/PHWFF.SDFF/>
